Increase Your Proposal Win Rate By 32%...In Just Half A Day

Are you frustrated because your proposals take too long to write, don't convert to sales, and don't deliver at the price you're asking? Would you rather spend more time completing design projects and less time writing proposals to get new ones?

Mindwalk Coaching Has The Solution To Writing Winning Proposals Quickly

What you need is a simple, step-by-step solution to writing persuasive proposals that convert to sales. With Mindwalk's *Pump Up Your Proposals* program, that's exactly what you get. A comprehensive blueprint to creating proposals in a fraction of the time that, according to Mindwalk clients, convert **32% more often** on average.

With *Pump Up Your Proposals* you get:

- Half day of personal on-on-one coaching at your location—eliminates wasted travel time and expense and delivers specific, focused attention on your business. Face-to-face coaching has proven to be the fastest, most efficient way to dramatically improve your proposal writing.
- In-depth review of your current proposals with detailed suggestions to make your proposals more persuasive. You get a comprehensive analysis detailing specific changes to dramatically increase the conversion rate of your proposals.
- Video-taped session—the entire half day session is video-taped to review at your convenience. Reviewing the session gives you instant access to every part of the coaching, guaranteeing retention. And you can share the coaching with other team members should you want to.
- A “proposal checklist” simplifying the proposal process—a simple, step-by-step, personalized formula for writing winning proposals every time.
- A customized template created before the session is over—making it faster and easier to prepare winning proposals in much less time and with much less effort. This template completely takes the stress out of your proposal writing...forever.

Here's what Sarah Adams, a graphic designer from Illinois, says about the program: “The *Pump Up Your Proposals* coaching program was the best money we've ever spent. The new proposal template we developed with the Mindwalk coach helped us win five new web design projects, and at a top price.”
